

DAWN NGUYEN

PRODUCT DESIGNER

Urbana, IL

anhnguyen19903@gmail.com

(714) 483 4589

<http://dawnuxi.com>

I love good product design and I am passionate in AR/VR technology. I design to empower people, solve human problems and create delightful experience. With a vision for innovation, I aim for great challenges. My expertise includes user and market research, developing conceptual diagrams, wireframes, visual mockups, prototypes and front-end development.
